

A DETROIT MIRACLE.

A Great Triumph for Canadian Medical Science.

Particulars of One of the Most Remarkable Cures on Record Described by the Detroit News—A Story Worth a Careful Perusal.

DETROIT, Mich., Jan. 23rd, 1892.—A case has just come to light here, the particulars of which are published in the Evening News, which will be read with considerable interest by all Canadians, as it records the remarkable achievement of a Canadian medical discovery, which has already, in its own country, won great and enduring fame. At this added triumph there is no doubt the fellow countrymen of the proprietors will rejoice, as it sheds lustre on Canadian science. The story is told by the News as follows:

The following paragraph, which appeared in the News a short time ago, furnished the basis of this information—a case that was so wonderfully remarkable that it demanded further explanation. It is of sufficient importance to the News' readers to report it to them fully. It was so important that it attracted considerable attention at the time. The following is the paragraph in question:

"C. B. Northrop, for 25 years one of the best known merchants on Woodward avenue, who was supposed to be dying last spring of locomotor ataxia, or creeping paralysis, has secured a new lease of life and returned to work at his store. The disease has always been supposed to be incurable, but Mr. Northrop's condition is greatly improved, and it looks now as if the grave would be cheated of its prey."

Since that time Mr. Northrop has steadily improved, not only in looks, but in condition, till he has regained his old-time strength.

It has been hinted to the writer of this article, who was acquainted with Mr. Northrop, that this miraculous change had been wrought by a very simple remedy called Dr. Williams' Pink Pills for Pale People. When asked about it Mr. Northrop fully verified the statement, and not only so, but he had taken pains to inform anyone who was suffering in a similar manner when he heard of any such case. Mr. Northrop was enthusiastic at the result in his own case of Dr. Williams' Pink Pills. It was a remedy that he had heard of after he had tried everything he could hope to give him relief. He had been in the care of the best physicians who did all they could to alleviate this terrible malady, but without any avail. He had given up hope, when a friend in Lockport, N. Y., wrote him of the case of a person there who had been cured in similar circumstances by Dr. Williams' Pink Pills for Pale People. The person cured at Lockport had obtained his information respecting Dr. Williams' Pink Pills from an article published in the Hamilton, Ont., Times. The case was called "The Hamilton Miracle" and told the story of a man in that city who, after almost incredible suffering, was pronounced by the most eminent physicians to be incurable and permanently disabled. He had spent hundreds of dollars in all sorts of treatment and appliances only to be told in the end that there was no hope for him, and that cure was impossible. The person alluded to (Mr. John Marshall, of 25 Little William St., Hamilton, Ont.) was a member of the Royal Templars of Temperance, and after having been pronounced permanently disabled and incurable by the physicians, was paid the \$1,000 disability insurance provided by the order for its members in such cases. For years Mr. Marshall had been utterly helpless, and was barely able to drag himself around his house with the aid of crutches. His agonies were almost unbearable and life was a burden to him, when at last relief came. Some months after he had been paid the disability claim he heard of Dr. Williams' Pink Pills and was induced to try them. The result was miraculous; almost from the outset an improvement was noticed, and in a few months the man whom medical experts had said was incurable, was going about the city healthier and stronger than before. Mr. Marshall was so well known in Hamilton that all the city newspapers wrote up his wonderful recovery in detail, and it was thus as before stated, that Mr. Northrop came into possession of the information that led to his equally marvelous recovery. One could scarcely conceive a case more like that of Mr. Northrop. His recovery came about in this way: One day nearly four years ago, he stumbled and fell the complete length of a steep flight of stairs which were at the rear of his store. His head and spine were severely injured. He was picked up and taken to his home. Creeping paralysis very soon developed itself, and in spite of the most strenuous efforts of friends and physicians the terrible affliction fastened itself upon him. For nearly two years he was perfectly helpless. He could do nothing to support his strength in the least effort. He had to be wheeled about in an invalid's chair. He was weak, pale and fast sinking when his timely information came that verily snatched his life from the jaws of death. Those who at that time saw a feeble old man wheeled into his store on an invalid's chair, would not recognize the man now, so great is the change that Dr. Williams' Pink Pills have wrought. When Mr. Northrop learned of the remedy that had cured Mr. Marshall in Hamilton, and the person in Lockport, he procured a supply of Dr. Williams' Pink Pills through Messrs. Bassett & L'Honmmedien, 36 Woodward avenue, and from the outset found an improvement. He faithfully adhered to the use of the remedy until now he is completely restored. Mr. Northrop declares that there can be no doubt as to Pink Pills being the cause of his restoration to health, as all other remedies and medical treatment left him in a condition rapidly going from bad to worse, until at last it was declared there was no hope for him and he was pronounced incurable. He was in this terrible condition when he began to use Dr. Williams' Pink Pills, and they have restored him to health.

Mr. Northrop was asked what was claimed for this wonderful remedy, and replied that he understood the proprietors claim it to be a blood builder and nerve restorer; supplying in a condensed form all the elements necessary to enrich the blood, restore shattered nerves and drive out disease. It is claimed by the proprietors that Pink Pills will cure paralysis, rheumatism, sciatica, palpitation of the heart, headache, and all diseases peculiar to females, loss of appetite, dizziness, sleeplessness, loss of memory, and all diseases arising from overwork, mental worry, loss of vitality, etc.

"I want to say," said Mr. Northrop, "that I don't have much faith in patent medicines, but I cannot say too much in praise of Dr. Williams' Pink Pills. The proprietors, however, claim that they are not a patent medicine in the sense in which that term is used, but a highly scientific preparation, the result of years of careful study and experiment on the part of the proprietors, and the pills were successfully used in private practice for years before being placed for general sale. Mr. Northrop declares that he is a living example that there is nothing to equal these pills as a cure for nerve diseases. On inquiry the writer found that these pills were manufactured by Dr.

Williams' Medicine Co., Schenectady, N. Y., and Brockville, Ont., and the pills are sold in boxes (never in bulk by the hundred), at 50 cents a box, and may be had of all druggists or direct by mail from Dr. Williams' Medicine Co., from either above addresses. The price at which these pills are sold makes a course of treatment with them comparatively inexpensive as compared with other remedies, or medical treatment. This case is one of the most remarkable on record, and as it is one right here in Detroit and not a thousand miles away, it can be easily verified. Mr. Northrop is very well known to the people of Detroit, and he says he is only too glad to testify of the marvelous good wrought in his case. He says he considers it his duty to help all who are similarly afflicted by any word he can say in behalf of the wonderful efficacy of Dr. Williams' Pink Pills.

Denver in Line.

A rousing meeting of the supporters of the people's party ticket was held at Denver on the 20th. Hon. Jackson Orr and J. Warner Mills addressed the meeting. A people's party club was organized.

Weaver Leads.

A silver club has been organized at Challis, Idaho. There is now one at Clayton, one at Bay Horse and one at Custer, in all four, and one will be organized at Houston. Weaver will sweep the county.

Farmers Feast.

There was a people's party barbecue at Montgomery, Tex., the other day. A table of huge dimensions was loaded to its full capacity with barbecued meats and almost everything else calculated to appease the appetite of the most fastidious and hungry voter. About 300 farmers, their wives, sons and grown daughters, together with the little ones, assembled to eat, be merry and to listen to Mr. W. E. Farmer, who interested the gathering in a three hours' speech, which was well received and frequently applauded. The independent voters of that locality are enthusiastic for Weaver, Field and reform.

Getting Together. In Gaudalope county, Tex., the people's party nominated Prof. O. Cook for county judge, F. R. Anderson for sheriff, P. K. Delaney for district clerk, William Vandenhauwer for tax collector and indorsed A. E. Wilson, John Donegan and Fritz Suchart for county clerk, assessor and treasurer, they being candidates for re-election to the offices in the order named. This action will likely cause the democrats to hold a convention.

A Picnic.

The members of the alliance from several counties held a grand encampment and barbecue at Bonham, Tex., recently that lasted several days. Several thousand persons were present.

In Camp.

The people's party friends recently held a successful meeting at Green's mill, four miles north of Gilmer, Tex. About 700 people were present. The speakers were J. M. Perdue and Mr. Smith, of Camp county. Two young ladies read essays on the subject of labor.

Missouri and Kansas.

The inter-state union of the Farmers' Alliance, which takes in a number of counties in Missouri and Kansas, had an interesting meeting at Kansas City, Mo., recently. An open meeting was held in the afternoon and Mr. G. B. De Bernardi delivered an address on co-operation. He is the author of a book on "The Trials and Triumphs of Labor."

Fusing.

The Livingston county (Tex.) prohibitionists have nominated a county ticket which the people's party county convention will indorse.

Joint Debate.

A joint debate was recently held at Pittsburg, Tex., between champions of the people's party and democratic parties. The speakers were J. N. Perdue and Senator Cranford, the former leading for the people's party in a speech of one and one-half hours and closing with a rejoinder of forty-five minutes. Cranford was given two hours and a quarter.

Gen. Weaver Confident.

While en route to Vincennes, Ind., to attend the opening meeting of the people's party campaign, Gen. Weaver stopped in St. Louis long enough to consult with the officials at the party's headquarters there. Discussing the outlook, he asserted he was confident of success, as his party would carry as many or more states than the two old parties.

The Little Silver State.

On July 30 Gen. Weaver spoke at an inter-state rally of the people's party at Vincennes, Ind. Gen. Weaver has received a letter from George S. Nixon, chairman of the executive committee of the silver party of Nevada, saying that while there will be no distinctively people's party ticket in the field in Nevada the three electoral votes of the state will be cast for Weaver.

A Big Gathering.

An immense alliance encampment was lately held near Bonham, Tex. It continued three days. Addresses were made by many prominent speakers. The number of people in attendance was estimated to be fully 10,000.

This From Kentucky.

A convention of the people's party was held at Hopkinsville, Ky., at which delegates were present from every precinct in Christian county. A full county ticket was nominated. Most of those in attendance were formerly democrats.

The Old Parties Arraigned.

The people's party had a grand ratification at Stratton, Neb., recently at which about 2,000 people listened to Hon. M. H. Dech arraign the two old parties. Hitchcock county will roll up an almost solid vote for the people's party.

Indorsed the Platform.

The people's party of Wise county, Tex., met in Decatur with an enthusiastic delegation of 205 members. The Dallas and Omaha platforms were unanimously indorsed. The delegation expressed itself well pleased with and pledged its support to and confidence in the tickets, both state and national. A full county ticket was nominated.

A Big Vote.

The people's party promises to cast a big vote in El Paso, Tex., at the fall election. The leaders have already opened the fall campaign and are making a vigorous fight.

Georgia Leading.

Two hundred sturdy Georgians met in state convention at Atlanta on the 20th, as representatives of the people's party. They were mostly farmers and it was the first convention of white men gathered since the war with the avowed purpose of breaking up the democratic party, and these men were undoubtedly in earnest. The faces were for the most part new to state conventions, but there were some men there who have been leaders of democracy at their homes, among them twelve or fifteen members of the last legislature. The platform adopted indorses and reaffirms the preamble, resolutions and platform adopted by the Omaha people's party convention. The following candidates for state officers were then named: Governor, W. L. Peak, of Rockdale; secretary, W. R. Gorman, of Talbot; comptroller, Gen. A. W. Ivey, of Thomas; treasurer, William Ware, of Fayette; attorney general, J. B. Mahaffee, of Jackson; commissioner of agriculture, J. G. Barrett, of Richmond.

Illinois Will Do Her Duty.

The state executive committee of the people's party of Illinois met recently at Decatur at which a general address to the voters of Illinois was formulated and ordered published. It arraigns the old parties for legislative discrimination and presents the principles of the new party as enunciated in the Omaha and Illinois platforms, and calling upon everybody to vote the people's ticket in the county, legislative and congressional districts. Nominating papers will be circulated for signatures. It is claimed that there are fifty-two counties organized. There will be twenty-five speakers on the stump in Illinois, including Gen. J. B. Weaver, of Iowa; Gen. Field, of Virginia; Col. Jesse Harper, T. A. Bland, of Washington City; Ralph Beaumont, of New York; Morris L. Wheat, of Iowa, and Miss Levia Roberts, of Pike county, a young lady of 27, whom Chairman Hess says he will put on the platform in joint discussion with the brainiest man in either of the old parties.

Miners For the Ticket.

Boulder, Col., recently had a rousing Weaver and Field ratification. Hundreds of miners came down from the hills and farmers attended from the plains to ratify the nomination of Weaver and Field. The town was packed with people. It was one of the biggest crowds ever seen in Boulder county, and there was but one sentiment—free and unlimited coinage of silver. Republicans are as scarce as whales in that district, which will go overwhelmingly for Weaver and Field and free coinage. The meeting was addressed by Judge Roxton, H. B. Merick, George King, Frank C. Greene and Capt. D. H. Nichols.

The People Will Win.

Gen. J. B. Weaver and Chairman Taubeneck arrived in St. Louis July 21 from Vincennes, Ind., and went direct to the national people's party headquarters. When asked how he was pleased with prospects after the grand rally at Vincennes, Gen. Weaver replied: "I am more convinced of the fact that the people of the United States have no legitimate excuse for voting either the republican or democratic ticket. Our platform is solid and is exactly what the masses indorse and I am confident that we have equally as good a show for success as either of the two old parties."

Kansas People's Party.

The state central committee of the people's party of Kansas, which met recently at Enterprise, arranged plans for the canvass in the state. Headquarters will be maintained at Enterprise where Chairman Breidenthal will organize a lecture bureau where all authorized speakers upon general topics will be engaged. It was decided to offer a reward of \$100 for the arrest and conviction of anyone giving or offering a bribe to any voter of the state of Kansas during the campaign to the end that the purity of the ballot may be maintained.

Ratifying the Nominations.

A monster ratification meeting of the people's party was held at Durango, Col. Delegations came from Silverton, Mancos and other stations on the Southern, and the farmers and miners in the neighborhood of Durango within a radius of twenty miles were largely represented. After a parade through the streets, an open air meeting was held at the baseball grounds. Salutes were fired and fireworks were touched off. Addresses were made by prominent speakers.

Farmers Must Stand Firm.

Immediately upon the adjournment of the people's party meeting at Colorado Springs, Col., the other night, the El Paso county silver league was called to order. Mr. J. F. Murray was elected chairman. In taking the chair Mr. Murray referred to the possibilities that lay in the power of the farmers of the country if they would take a firm stand.

Talking to the People.

The barbecue at Hicks, nine miles south of Rockdale, Tex., on the San Antonio & Aransas Pass railroad, given under the auspices of the people's party, was attended by 1,500 people. Several speakers addressed the people.

The Silver Convention.

The state central committee of the people's party of Kansas appointed Chairman Breidenthal and Judge S. H. Snyder, of Kingman, a committee to attend the silver league convention at Denver.

Wyoming's Senators.

The Del Norte (Col.) Enquirer says that "it is safe to say that there are a couple of gentlemen in Wyoming, now flying high at Washington, who will be properly shelved the first time the people get a whack at them. The nerve which prompts the senators from that state to stand out against the silver cause is rank, if not rotten."

Making It Warm.

Judge Nugent, the people's party candidate for governor of Texas, is making a warm canvass. "Beastly democratic majorities" are things of the past in the Lone Star state.
